<b>Job Description:</b>			
<p>A local high technology company is looking for a Sales Representative to work exclusively with Industrial Accounts locally and nationally. Must be good on the phone and in person. Base plus commission. Potential for growth and development. A technical background is preferable but is not required. Also, previous experience selling to industrial accounts is a plus.</p> <p>Intellect Controls Group is an industrial training company specializing in hands-on training programs on factory automation technology. We have a diverse customer base which includes companies involved in Automotive Manufacturing, Brewing, Food Processing, Consumer Products, Pharmaceutical, Petrochemical, Utilities, Paper and other industries.</p>
